Cotto del Mugello

Tradizioni innovative

Il pregio del cotto firmato Pecchioli vive della grande tradizione toscana che ancora riveste l'abitare di questa regione, ma che ha saputo conquistare il mondo intero, grazie al suo profondo legame con la terra.

Pecchioli terracotta is enlivened by the great Tuscan tradition that this region continues to live by. That tradition has now conquered the world over, thanks to its profound connection with the land.

COTTO ARTISTICO FOGLIA
30X30 CM

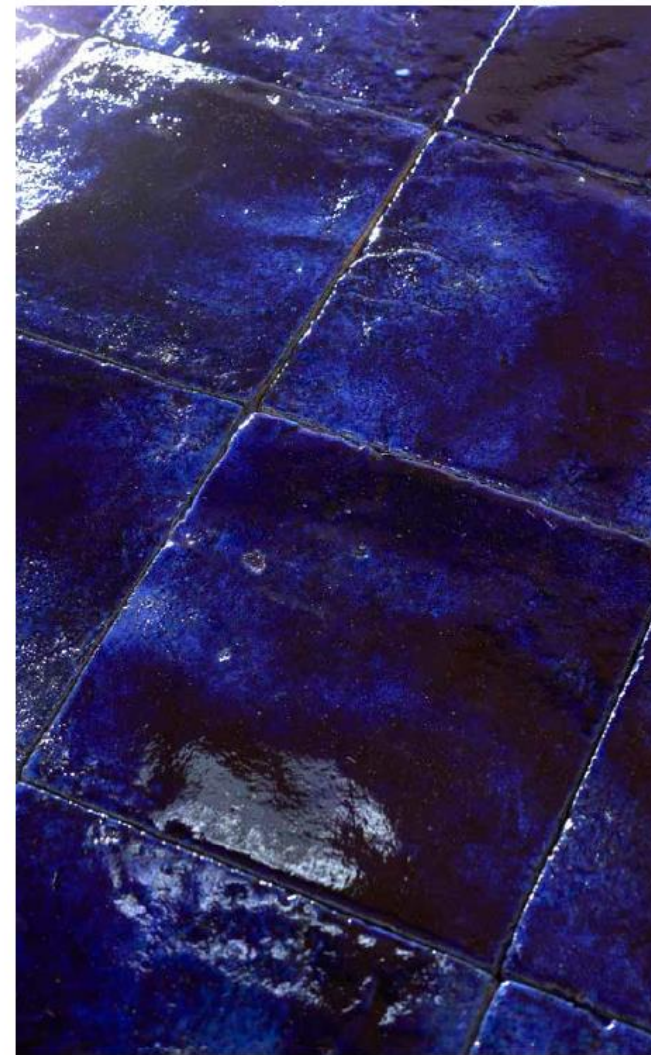

An aerial photograph of a dense forest, heavily overlaid with a vibrant teal or emerald green color. The texture of the trees and the ground is visible through the semi-transparent overlay. The overall effect is a rich, monochromatic green landscape.
